A long-term agreement will benefit not only the residents of the City of Commerce, but the surrounding Fire District communities as well. Therefore, your Board is being requested to approve the attached Amendment Number Three with the following changes in terms.

#### Purchase of Fire Station 22

The Annexation Agreement required the City of Commerce to deed the title of Fire Station 22 to the Fire District at no cost. In the event the City should ever terminate its contract with the Fire District, a reversionary provision requires the return of ownership of Fire Station 22 to the City. Fire Station 22 is located at 928 S. Gerhart Avenue, on the border of the City of Commerce and East Los Angeles. The vast majority of Fire Station 22's jurisdiction and its responses are in East Los Angeles. Fire Station 22 is an essential part of the network of resources protecting the East Los Angeles area. Purchasing Fire Station 22 from the City now will ensure that the Fire District has a station from which to protect the East Los Angeles area should the City ever withdraw from the Fire District.

To establish a purchase price for Fire Station 22, both the City and the Fire District had Fire Station 22 appraised. The City's appraised value of Fire Station 22 was \$447,000, while the Fire District's appraised value was \$295,000. A purchase price of \$340,000 has been agreed to by the City and is recommended to your Board.

#### Cost-Share Adjustments

The Fire District will assume full operational costs of Fire Station 22 since it primarily serves the unincorporated East Los Angeles area. The Fire District currently funds 66 percent of the staffing costs for this station; fully funding the station will cost the Fire District an additional \$471,000 annually.

Additionally, the Fire District will increase its cost share for the staffing of Quint 27 from 25 percent to 50 percent. While physically located at Station 27 in the City of Commerce, Quint 27 is a regional resource that is critical for quint services in the City of Commerce and surrounding areas outside of the City. Funding the additional cost share will cost the Fire District \$450,000 annually.

### Term

Amendment Number Three would be effective upon Board approval and would extend the Annexation Agreement for a minimum of five years. The Annexation Agreement will thereafter remain in effect unless terminated by either party by giving 180 days notice prior to the anniversary effective date of Amendment Number Three.

### **FISCAL IMPACT/FINANCING**

Approval of Amendment Number Three will authorize: 1) the purchase of Fire Station 22 in the amount of \$340,000, and 2) an estimated \$921,000 annual increase in the Fire District's share of staffing costs for Fire Station 22 and Quint 27. The Fire District will return to your Board upon conveyance of Fire Station 22 by the City, requesting approval of an Appropriation Adjustment to correctly account for the purchase of this fixed asset. Additionally, the Fire District has sufficient funds available in its current Budget to absorb the additional staffing cost share estimated to be \$384,000 this fiscal year based upon an anticipated effective date of February 1, 2005.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Annexation Agreement was approved by your Board on December 10, 1985 (Agreement No. 51258), and was subsequently amended on November 1, 1988 and August 20, 1996.

The City Council of the City of Commerce approved Amendment Number Three on January 18, 2005.

County Counsel has approved the attached Agreement as to form.

### **ENVIRONMENTAL DOCUMENTATION**

This Agreement is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3) of the CEQA Guidelines because it can be seen with certainty that this activity will not have a significant effect on the environment.

### **IMPACT ON CURRENT SERVICES**

No staffing changes will occur as a result of this Amendment. Therefore, there will be no impact on current services. The purchase of Fire Station 22 will eliminate a potential

future service impact to the East Los Angeles area should the City of Commerce ever terminate its Annexation Agreement with the Fire District.

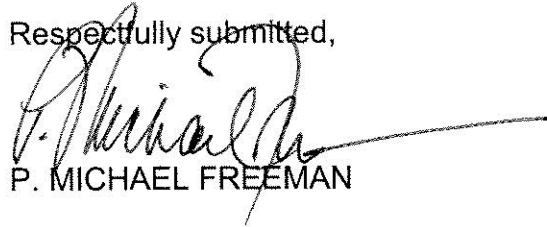

**CONCLUSION**

Please instruct the Executive Officer, Clerk of the Board to return the following to the Fire District:

- Two (2) copies of the Minute Order and/or this approved letter, as applicable.
- One (1) executed original Agreement and two (2) copies of the executed Agreement.

The Fire District will return one original Agreement to the City per the City's request.

Respectfully submitted,

P. MICHAEL FREEMAN
